

TEAM TOPTENN

Acceleration and Performance Squads

Toptenn has put in place a comprehensive sequential coaching program based on the Tennis Australia Player Development Matrix which follows a clearly defined pathway designed to optimise each student's progress. As part of our Talent optimisation and Talent Identification program it presents opportunities for all players to have fun, work hard, be challenged, and have a real sense of opportunity and progression.

TEAM Toptenn Acceleration and Performance Squads and Representative teams are invitation only squads which target young players from our Hot Shots coaching programs who demonstrate aptitude and clearly wish to progress to the next level. The focus in these squads is to teach players "how to win" by consolidating their technical skills being developed in lessons and integrating these into tactical situations.

Players participating in Hot Shots Comp automatically qualify and take priority in selection of Hot Shots Acceleration and Performance Squads. Note "TEAM Toptenn" squad places are strictly limited and are chosen on a first in basis for those that qualify and/or are invited by their coach.

The Directors and coaches strongly recommend that players continue to participate in Hot Shots Technical Coaching as the two programs are integrated and compliment each other.
